

Affiliate Relationship Disclosure

Rest Intelligence, LLC participates in various affiliate marketing programs, which means we may earn commissions on products or services purchased through our links to retailer sites. This includes participation in the Amazon Services LLC Associates Program and other affiliate networks.

When you click on certain links on this website and make a purchase, we may receive a commission at no additional cost to you. We are paid to recommend products and services, and our recommendations may be influenced by this compensation relationship.

Important Information About Our Recommendations:

- We only recommend products and services we have researched and believe offer value to our audience
- Our editorial content is not influenced by which brands compensate us
- We clearly identify affiliate links where possible
- The prices you pay are not affected by our affiliate relationships
- We have not received free products or services in exchange for these recommendations unless specifically disclosed

Transparency Commitment: We are committed to providing honest, unbiased information. When we recommend a product or service through an affiliate link, we disclose this relationship clearly. Our goal is to help you make informed decisions while supporting our ability to provide free content.

FTC Disclosure Compliance: In accordance with FTC guidelines, we disclose that we have financial relationships with some of the merchants mentioned on this website. We may be compensated if you purchase products or services through our affiliate links.

Your trust is important to us. If you have questions about our affiliate relationships or believe we have not adequately disclosed a material connection, please contact us at affiliate@restintelligence.com.
